Reviews

Very helpful to any or all category of folks. It is written in simple phrases rather than difficult to understand. It has been developed in an exceptionally simple way and is particularly just after I finished reading this pdf in which basically transformed me, modify the way in my opinion.

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 64 pages. LC Number: KF26 . V4 2005q OCLC Number: (OCoLC)76829096 Subject: Veterans -- Medical care -- Idaho. Excerpt: . . . 11 geriatrics and extended care. The facility provides 46 acute-care beds, and a 32-bed extended care unit including an additional 9 beds for resident substance abuse treatment. Boises reach across Idaho is extended by community based outpatient clinics in Twin Falls and Ontario, Oregon; and a sharing program with Mountain Home Air Force Base for pathology and mental health services. VA also maintains outpatient clinics in eastern Idaho at Pocatello, which is maintained by our Salt Lake City VA Medical Center; and on the western border at Lewiston, maintained by our hospital in Walla Walla, Washington. Finally, Mr. Chairman, we maintain two Veterans Outreach Centers, or Vet Cen-ters, in Idaho, in Boise and Pocatello. These centers are part of VAs readjustment counseling service, and they help veterans to make a successful readjustment to ci-vilian life once their service is completed. We also provide services to family mem-bers to assist with that readjustment. Telemedicine involves the use of electronic medical information and communica-tion to provide and support health care when distance separates the provider from the patient. Because much of Idaho is rural, we use telemedicine extensively throughout the State to increase access to our care, especially for veterans who are in remote locations, and those who are disabled and elderly. We use telemedicine in radiology, mental health, cardiology, pathology, dermatology, psychiatry, and in home care teleconsultations for spinal cord injury patients and for patients with other chronic conditions. Nationally, VHA conducts more than 350, 000 consultations annually via telemedicine. We are proud of our ability to serve Idahos 136, 000 veterans in many ways, and I...
