Brand New Book ***** Print on Demand *****.Play the Guitar in 7 Days.GUARANTEED! This program allows beginners to achieve significant skill improvements in just 7 days. You will learn about the various parts of a guitar and music theory. In addition, you will learn how to build chords, how to strum, the finger-style of playing, and much more. This is the best book for you. It contains theoretical materials and practical suggestions that will help you to boost your guitar playing skills. You will know the functions of each guitar part and how to count music. You ll learn how to identify guitar scales and how to construct chords. The different guitar lessons inside can bring your skills to the next level. It will provide you with great strumming patterns that you can use for a variety of songs. It will also teach you how to play the guitar using the finger-style technique. Guitarists consider that technique as both complex and interesting, so you really need to add that into your arsenal. You will be able to impress and amaze your friends just by performing that cool technique. Nowadays, almost all songs make use of guitar techniques such as slides and bends. That means you need to master those techniques if you want to be a great guitarist. This eBook contains a lesson dedicated to guitar strings and bends - you will learn how to execute those within the 7-day training program. The last section of the book will teach you how to accompany yourself on the guitar. In general, you can only say that you are a good guitarist if you know how to sing and play the guitar simultaneously. This...
