Inspired by egalitarian doctrines, the Dalit communities in India have been fighting for basic human and civic rights since the middle of the nineteenth century. In this book, Shailaja Paik focuses on the struggle of Dalit women in one arena - the realm of formal education - and examines a range of interconnected social, cultural and political questions. What did education mean to women? How did changes in women s education affect their views of themselves and their domestic work, public employment, marriage, sexuality, and childbearing and rearing? Elegantly conceived and convincingly argued, Dalit Women s Education in Modern India will be invaluable to students of History, Caste Politics, Women and Gender...
