Reviews

*This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).

SOCRATES: A VERY SHORT INTRODUCTION

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Socrates: A Very Short Introduction, Christopher Taylor, Socrates has a unique position in the history of philosophy. It is no exaggeration to say that had it not been for his influence on Plato, the whole development of Western philosophy might have been unimaginably different. Yet Socrates wrote nothing himself, and our knowledge of him is derived primarily from the engaging and infuriating figure who appears in Plato's dialogues. In this book, Christopher Taylor explores the relationship between the historical Socrates and the Platonic character, and examines the enduring image of Socrates as the ideal exemplar of the philosophic life - a thinker whose moral and intellectual integrity permeated every detail of his life, even in the face of betrayal and execution by his fellow Athenians. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.
