Maritime Archaeology for Beginners

By Tripathi,Sila

Kaveri Book Service, New Delhi, 2009. Hard Bound. Book Condition: New. In recent years, maritime archaeological studies have unearthed several of our lost cultural heritages. Many believe that maritime archaeology is a complex and specialized field. Author has penned down his personal experiences in the form of questions and answers in a lucid manner. It narrates the beginning of Maritime Archaeological explorations in India, starting from a modest presentation of the tools, techniques, conservation and dating methods in comparison to international scenario. It is hoped that this book will be an invaluable guide for students; teachers and scholars of Archaeology, History and allied disciplines besides general public. The book is well illustrated and comprehensively presented to be of use to everybody interested in underwater cultural heritage of India.
