Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Manhattan Rendezvous the Sequel continues the story of genuine love, deception, strong family ties and thick redemption that was started in Manhattan Rendezvous. It's a constant reminder that things in life aren't always as they appear, especially when it comes to love. From the back streets of Biloxi, Mississippi, to the bright lights of New York City comes a story filled with second chances. Janae Robinson-Callaway spontaneously invites her sister Sylvia to a much-needed vacation on the outskirts of New Jersey to hear a highly billed band perform at her husband Bernard's supper club, Club Callaway's near Atlantic City. Sylvia reluctantly agrees, turning over her highly successful beauty salon to her best friend and co-worker. But little does she know that her life is about to change forever. Sylvia has just been divorced from her high-powered husband of only two years, Parker Kelly, who is the owner and mastermind behind PK Enterprise, a top automotive design company in Atlanta, and the last thing that she expected to find miles away in a lavish, secluded place was love. But will the love that she has come to know be strong enough to endure what she discovers?
