

The Lost Wagon

Filesize: 3.65 MB

Reviews

Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Annette Boyle)

Trails Saddles, United States, 2014. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. The Lost Wagon is the starkly honest representation of one man s hope of finding a better life for his family. Deeply in debt and worried that his children will be forced to struggle all their lives to make ends meet, Joe hears stories of free land in Oregon and a better way of life. The tale of the promised land does not move his wife Emma to support their leaving all they have behind until a catastrophe leaves them no other choice. Intimate and glorious in its description of everyday events, thoughts and hopes, this story is an excellent representation of what life was really like in the good old days. It brings us back to a simpler time, before texting instead of talking and not knowing who your neighbor is. Not an easier time, but certainly a different way of life. Fathers still wanted the best for their children, mothers still worried about sick babies, and couples still loved and supported each other. Elegantly descriptive, it captures the gruelling tedium of daily life along with the straightforward characterization of people and events. The way West to a better life is filled with perils: blizzards, outlaws, stampedes, Indians and starvation, but the determination and courage of this family group, alone on the prairie, is a gripping listen.
