CHAPTER II HISTORY MEDICAL Inspection of Schools was in vogue many years before the trained nurse was engaged in the school work. But even medical inspection has only of recent years come into prominence, and its great public value recognized. For many years social and philanthropic workers for the amelioration and betterment of the conditions of the poor, recognized that they were not making any permanent progress. Large sums of money and much earnest effort produced only passing relief. Any progress toward real improvement could only be looked upon as halting and disappointing. The futility of the methods applied to adults and the practical failure to save men and women from the abyss of drink, crime, and immorality forced the attention of the thoughtful upon the child problem. So social efforts shifted largely from the adult to the child, with the most gratifying...

Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
