Wipf Stock Publishers, United States, 2015. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.There is a spiritual hunger in the world today. Many people are seeking answers to life's hard questions. The analysis is accessible and relevant to all who care about the future of mainline Protestantism. --Christopher Evans, Professor of the History of Christianity, Boston University School of Theology Even faithful Christians are often unfamiliar with the content of their own faith, and many have little time, other than...
