Brand New Book ***** Print on Demand *****.Excerpt from The Sons of Strength The quotation which stands at the beginning of this brief booklet is somewhat misleading: for it might suggest that what follows pretends to be an exposition of George Meredith s reading of Earth. Even in regard to the restricted points indicated in these pages, no such claim is made. All that is done in them is to sketch some distinctively religious ideas, which are given in Meredith s poems, and to use them as a basis for exhortation rather than for exposition. During the past winter, it has been my privilege to lecture to a Sunday evening class in the New North Church, Edinburgh, on the message of this strong prophet of our own time; and this booklet is, in part, a by-product of the work then done. This at least is certain, that in the writings of him, who so recently was laid to rest amidst the reverent mourning of a nation, there is much that teachers of Christianity will do well to ponder. For he garments great religious thoughts in fresh language, and emphasises aspects of the right life which we have been apt to neglect. Faith, we are told, cometh by hearing. Hearing requires a listener as well as a speaker. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
