

Happy City: Transforming Our Lives Through Urban Design (Hardback)

By Charles Montgomery

Farrar Straus Giroux, United States, 2013. Hardback. Book Condition: New. 231 x 157 mm. Language: English . Brand New Book. A globe-trotting, eye-opening exploration of how cities can and do make us happier people. Charles Montgomery's Happy City will revolutionize the way we think about urban life. After decades of unchecked sprawl, more people than ever are moving back to the city. Dense urban living has been prescribed as a panacea for the environmental and resource crises of our time. But is it better or worse for our happiness? Are subways, sidewalks, and tower dwelling an improvement on the car-dependence of sprawl? The award-winning journalist Charles Montgomery finds answers to such questions at the intersection between urban design and the emerging science of happiness, and during an exhilarating journey through some of the world's most dynamic cities. He meets the visionary mayor who introduced a sexy lipstick-red bus to ease status anxiety in Bogota; the architect who brought the lessons of medieval Tuscan hill towns to modern-day New York City; the activist who turned Paris's urban freeways into beaches; and an army of American suburbanites who have transformed their lives by hacking the design of their streets and neighborhoods. Full of rich...
