## LET S SHUT OUT THE WORLD (PAPERBACK)

Green Candy, United States, 2005. Paperback. Book Condition: New. 213 x 129 mm. Language: English . Brand New Book. The narrator of these autobiographical stories and personal essays has man trouble--trouble with his homophobic father, his horny best friend, his rigid high school principal, and a slew of fauxmosexuals and elusive boyfriends--and a knack for butting heads with fundamentalist Christians. Bitingly funny and at times harrowingly sad, Let s Shut Out the World traces the man-hungry and misanthropic journey of an intensely bibliophilistic young man following his natural bent from a desolate Texas landscape of tumbleweeds, Jesus freaks, and compliant straight boys to the gay capital of San Francisco in pursuit of sex, drugs, a lover, and more. Whether describing having his hair styled by a gang of eighth-grade bullies; staging a Satan festival in the main hall of Greenvale High complete with black robes, black candles, and raw chickens; succumbing to a sneezing fit inside the healing Sanctuary at Chimayo; or indulging in inappropriate sex with a caregiver, Bentley writes with a pen dipped in blood, indignation, and grim whimsy. This collection also provides the back story and sequel, and vividly fills out the author s rough-and-ready romantic escapades detailed in his diaries, the Lambda Literary Award finalist for memoir, *Wild Animals I Have Known*.
