Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Have you always wanted to learn how to speak Jordanian Arabic but simply didn't have the time? Well look no further. You hold in your hands the most advanced and revolutionary method that was ever designed for QUICKLY becoming conversational in a language. In creating this time saving program, master linguist Yatir Nitzany spent nearly three years examining the 27 most common languages in the world and distilling from them the 350 words that are most likely to be used in real conversations. These 350 words were chosen in such a way that they are structurally interrelated, and when combined, they form sentences. Through various other discoveries about how real conversations work, that are detailed further in this book, Nitzany created the necessary tools for linking these words together in a specific way so that you may to become fluent NOW. If your desire is to learn complicated grammatical rules, or to speak Shakespearean Arabic, this book is NOT for you. However, if you need to actually hold a conversation whilst on a trip to Jordan or another Arab speaking country, to impress that certain someone, or to be able to speak with your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for. This book is recommended for those who already have prior knowledge in pronunciation of Arabic accents (such as the Arabic accents: ayin, ghayn, ha, and khaf). For those of you that DO NOT, this book does indeed provide some great, in depth techniques (page #15) as to the pronunciation and recognition of these accents that you will encounter throughout the program....
