Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.As America approaches world crisis, some call it end-times, we are waffling in our Christian walk, increasingly pounded by the attacks of the enemy of God and those that knowingly or unknowingly working for him. Christians are now in danger of approaching the status of saltiness as defined in Matthew 5: 13, which in turn threatens our national obligation to be the light to world for Jesus, the prime (even if forgotten) mission given to America. To rectify this condition, God is planning an intervention in our culture and church to restore our fervor for this national task. Crucial to this vision renewal is the restoration of John 4: 24 to the Christian world: the worship of God through the human spirit. That process generates true worship, enabling truth. God s absolute certainty is adult kingdom knowledge so desperately needed by our people today. This book outlines the work of a small interstate prayer group in its attempt to reach true worship, describing the adult knowledge that subsequently flowed forth. That information contains: Cultural Transformation guided by the Spirit of God Construction of spiritual validation to resolve our different Biblical interpretations Establishment of an Overchurch, forming the first truly effective non-violent culturally combative army of Christ Description of a new national economic system, one based on agape love, not greed. This information, plus much more, constitutes the work of the Holy Spirit and must be absorbed by all interested in avoiding Hosea 4: 6: My people perish for lack of knowledge, to assist in God s intervention.
