

Biology: Questions and Answers for Sats and Advanced Level; Book 1 (Paperback)

Filesize: 5.45 MB

Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It's been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modify the way I really believe.
(Prof. Vanessa Smitham V)

To read **Biology: Questions and Answers for Sats and Advanced Level; Book 1 (Paperback)** eBook, remember to access the button listed below and download the ebook or get access to additional information which are have conjunction with **BIOLOGY: QUESTIONS AND ANSWERS FOR SATS AND ADVANCED LEVEL; BOOK 1 (PAPERBACK)** ebook.

Createspace, United States, 2014. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.This book aims to introduce the reader to Biology at an advanced level and to be used in addition to the text book I am sure you already own. I think that conventional textbooks embed the principles too deeply in the text and that these principles are the key to understanding Biology and to success in exams - which is what all students want. This book explains Biology in the form of a series of questions and answers: such as What is the function of DNA? ; answer: It contains genes that code for the production of proteins and is the molecule of inheritance. The book also contains exam questions and answers - with hints and tips from me as to how to interpret and answer the questions. Each chapter begins with a glossary so you understand the terms and words BEFORE you read the chapter. My hope is that you will find the book really useful and it will improve and deepen your understanding of Biology.
