Many cases are cured in much less time, by means of localized movements judiciously applied, while many cases of subpanilysis, contracted sinews, deformities, distortions, malformations, and extremamascular torpidity and relaxation, are incurable without. After several years, we have come to consider Movement-Cure as an excellent help in Hygienic Treatment, and in many cases, almost indispensable. The New Gymnastics.--A new feature of our Educational and Therapeutic Programme is, the introduction of the Light Gymnastics, which not only facilitates the restoration of our patients, but also tends to the development, vigor, and gracefulness of motion of all who practice them. An h Sr cannot h? sPTMt more profitably than in the practice of these beautiful and svstcmatically arranged exercises, they are as interesting as the dance, without being subject to the criticisms which are often justly applied to Patients and guests who are able to participate can learn in a few weeks or months, if not to be proficient in the an, enough to aid them in the practice for life, and introduce it among their friends. We have competent assistants in the Female and Surgical Departments, and for outdoor practice in city and country. We are prepared to treat successfully, Cancers, Polypous Tumors, Fistulas, Hip-joint diseases, and to perform the most important surgical operations, so as to ensure the utmost safety and success. Persons visiting the city for business or pleasure, will be accommodated with board and pleasant...
