## DANCING FISH AND AMMONITES

BRILLIANCE AUDIO, United States, 2014. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. The memory that we live with is the moth-eaten version of our own past that each of us carries around, depends on. It is our ID; this is how we know who we are and where we have been. Memory and history have been Penelope Lively's terrain in fiction over a career that has spanned five decades. But she has only rarely given listeners a glimpse into her influences and formative years. *Dancing Fish and Ammonites* traces the arc of Lively's life, stretching from her early childhood in Cairo to boarding school in England to the sweeping social changes of Britain's twentieth century. She reflects on her early love of archeology, the fragments of the ancients that have accompanied her journey including a sherd of Egyptian ceramic depicting dancing fish and ammonites found years ago on a Dorset beach. She also writes insightfully about aging and what life looks like from where she now stands.
