A chatty little girl and her patient older brother share an easy bond in a charming early chapter book filled with warmth and wry humor. Annie and Simon: little sister and big, big brother. Annie likes to talk a lot about what she s going to be when she grows up, about the clouds and rain and umbrellas, about picnics in the park and meteors, about loons and canoes and turtles. And Simon is a very good listener. He knows a lot about the stars and the weather, how to fix bee stings, and where to look for loons. He knows a lot about being the kind of big brother that keeps a little sister smiling. Whether they are poking around the garden or paddling through a marsh, curious Annie and patient Simon are siblings who are clearly happy in each other s company.
