AAPC - Autism Asperger Publishing Co., 2015. Softcover. Book Condition: New. A parent with ASD can provide his or her children deep love and support, along with a perspective on the world that is wonderfully unique. It is truly the first of its kind, not only for families with a parent who has autism but for readers of all ages and degrees of understanding about ASD. Written with such warmth and candor and a sense of humor to boot the book employs a gentle, non-threatening, interactive style to facilitate growth of the reader's personal insight. It also fosters a sense of compassion and empathy for each person...
