Createspace, United States, 2012. Paperback. Book Condition: New. 288 x 170 mm. Language: English . Brand New Book ***** Print on Demand *****.Are you tired of forex trading courses, forex strategies, forex trading systems and books that don't really teach you how to trade and make money? This book does not waste your time with boring stories and basic, general information just to fill up pages! Trading The Forex Market - Repeating Setups That Beat Your Broker, is a complete comprehensive forex trading guide that's suited for all experience levels covers all of the important aspects you need to succeed. Whether you trade short term or longer term, these forex trading strategies will turn your trading around to profitability very quickly. The forex market has repeatable setups that happen over over, that is the foundation of the strategies. These favorable price action setups are also combined with specific indicators candle patterns that all work very well at confirming each other. There is absolutely no silly stuff in the course such as magical theories and page after page of useless information. These techniques and this forex trading education will have you trading like a true professional and develop your trading mind around the WHOLE trade, so you will become a trader, not just a strategy user! Many forex traders use too many indicators and rely solely on them, this is a big mistake and contributes to most of your losses. The reason is that the indicators were not created for 24 hour trading like the forex market, and because they need to be combined with other techniques such as price action because they lag behind price. This forex trading course will show you how to use only a handful of indicators put your efforts into spotting the repeatable setups...
