The T-RRIBLE is a children s book for children aged 6-9, written and illustrated by Children s Author J.N. PAQUET (who is also the creator of The Book of The Animals series). The T-RRIBLE is the story of a very special boy called Oliver Bluemoon. What is very special about Oliver is the fact that he is bilingual. One day, a strange little monster, The T-RRIBLE, knocks at his door and asks him to travel to his planet because only HE can save his people from a gigantic asteroid that is about to destroy everything. Will Oliver succeed? With this new book, the author has created, as in his previous children s books, yet another very special story which stimulates the children to engage with their own imagination and have an enjoyable reading experience, both with their parents, teacher or educator and on their own. Its educational aim is to drive the bilingual fun-learning and the reading comprehension through an extraordinary story that shows to the children the importance of speaking other languages. PAQUET has decided to write the story in rhymes, so that it contributes to the children s linguistic awareness and development. Through rhymes and the use of a specifically elaborated vocabulary, it also teaches the children the benefits of making decisions, developing ideas and thinking on their own. The colourful handmade illustrations, all created and painted by the author himself, open the children to his colourful new world where they will, episode after episode, get to meet some funny little creatures, visit their lands...
