

Colorimetric Analysis (Classic Reprint) (Paperback)

By F D Snell

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Colorimetric Analysis It has been the endeavor of the author so far as is possible to avoid needless repetition of material in this work. Therefore all the fine points as to theory, apparatus and its use and the figuring of results which will apply to practically every test given, have been gathered together into three chapters at the beginning of the book. From this it will be seen that a knowledge of these chapters, particularly Chapters Two and Three, is necessary to the success of anyone except an experienced operator, in the use of the methods of determination given on the succeeding pages. It has been the endeavor of the author to mention that a particular type of test was not applicable to those cases where the choice of methods is more limited than usual. This book is, in essence, an attempt to combine in one volume for ready reference, all the colorimetric tests which experience has shown to be at all practical. Much material will be found here which has never been in print...
