By Lynn, Weiss

Taylor Trade Publishing. Paperback. Book Condition: new. BRAND NEW, Attention Deficit Disorder in Adults: A Different Way of Thinking (4th Revised edition), Lynn, Weiss, ADD in Adults enjoys steady sales year after year. Since its last revision in 1997, dozens of new treatments and philosophies about ADD and ADHD have met with storms of controversy and great media attention. As I've seen her do time and again, Lynn Weiss cuts through the noise and gets down to the point in a human, caring, and professional way. People turn to the Weiss library for a breath of fresh air on the ADD turmoil. Is it an allergy? A chemical imbalance? A genetic thing? Lynn's answer: "Who cares?" The new edition would not only touch on and dispel the most recent clinical findings, it would also emphasize the bigger perspective, focusing on the humanitarian, economic, empowerment, and diversity issues facing all of us on the ADD continuum today.
