2016. Hardcover. Book Condition: New. 280 ABOUT THE BOOK:- Socioeconomic injustices Pakistan in whirlpool is a detail discussion about ongoing, widespread and deep routed injustices and discriminations on massive fraction of population imposed by ruling elite of the country. Young and energetic author shared his different experiences as well for the provision of a true picture of modern day Pakistan. He described the economic imbalances and other systematic failures of the state and their repercussions alongside the institutional collisions in a realistic way for the understanding of viewers. Some more features are as Book unveiling some non-conventional actors alongside the conventional mafias responsible for the provision of misery And helplessness for deprived factions of population. It's providing enough material for connecting current wave of religious extremism in Pakistan and South Asian region with economic deprivation of masses. Book is written in a simple and frank way and providing special references and quotations for the better understanding of contemporary terminologies. ABOUT THE AUTHOR:- Waqas Ahmad Saad a guy of 28 from Southern Punjab - the very deprived part of the country started a journey in student politics in the second half of 2000's era and faced severe repercussions. His active participation in lawyers' movement for the restoration of democracy lead to his brief but rigorous imprisonment that disturbed his academics. This initiative nevertheless gave him some prominence albeit in a minor way and only for that particular span of time. After attaining a degree in Agriculture Engineering in 2008 he started writing articles in leading newspapers of the country with a particular focus on agriculture mechanization and modern irrigation systems but gradually he made a tilt towards socioeconomic and political affairs as well. In 2009 he launched a campaign through his writings for the provision of state owned barren agriculture land to...
