By -

Taylor Francis Ltd, United Kingdom, 2015. Paperback. Book Condition: New. 214 x 140 mm. Language: English, Sanskrit . Brand New Book. Swami Vivekananda (1863-1902) popularised Vedanta in the West and reformed Hinduism in India. He also inspired the mass movement that made India a modern nation. In showcasing his life and work, this Reader balances the two main aspects of his life: the religious and the secular, the spiritual and the practical, the devotional and the rational. Included here are the most significant and representative texts from every major genre and phase - selections from his speeches, essays, letters, poems, translations, conversations, and interviews - arranged for easy reading and reference. With a scholarly Introduction highlighting his contemporary relevance, separate section introductions and a detailed biographical Chronology, this volume provides a rare insight into one of India's greatest minds. This volume will interest scholars and students of modern Indian history, religion, literature, and philosophy as well as general readers.
