Birkhauser. Paperback. Book Condition: New. Paperback. 612 pages. Dimensions: 9.3in. x 6.1in. x 1.3in. () Some 1000 literature references and a name index complete this comprehensive work. () the quality of the translation from German is excellent. I strongly recommend this book as an introduction to the interplay of science, government and their publics in the particular context of Nazi Germany, and as () illustration of the immense...
