

Speaking of Sex: The Limits of Language (Paperback)

By Antony Grey

Bloomsbury Publishing PLC, United Kingdom, 1994. Paperback. Book Condition: New. Reissue. 212 x 138 mm. Language: English . Brand New Book. Nowadays we talk about sex incessantly - yet we still lack a comfortable language in which to do so. The polite vocabularies of religion, medicine, law and sociology are too formal, value-laden and often simply boring, whilst the vernacular Anglo-Saxon words are regarded by some as obscene , and are frequently used by others in an aggressively negative, sex-hating way. Antony Grey criticizes the various rhetorics of sexual discussion, and points at the ways in which language often becomes a stumbling-block to mutual understanding and happiness. He calls for a thorough overhaul of sexual discourse, to pave the way for greater realism.
