Preschool teachers face groups not only have a lot of parents of young children. there are concerns and worries. Therefore. we often say that the hardest work of novice teachers not with class. but communication with parents. So. the book with more coverage elaborate homes interpersonal communication skills. the goal is the same. sincere communication. understanding identity. and respect for differences. Teachers as long as some of the barriers to grasp the All for Children this purpose. communication with parents would be less. more understanding. Teachers should position itself in response to this type of incident. and neither parents commander. not unprincipled command can be parents. especially in response...
