Brand New Book ***** Print on Demand *****.Whether it be sickness, life challenges, mental illness or spiritual voids, at times dark moments can seem to swallow us. After these experiences, we emerge with a new life lesson, a growth in character, or a change in perception. The Tale of the Lantern Lady is an allegorical story about the influential people who provide guidance and help to those suffering from such struggles. Despair can lead us to feel hopeless, isolated, and irrational and can make it more difficult to fight our battles alone. This story pays homage to the angels who bridge the gap between pain and positive change in others lives. Their lanterns encourage, illuminate, and empower those who struggle.
