

American Scoundrel: The Life of the Notorious Civil War General Dan Sickles

Filesize: 9.5 MB

Reviews

Certainly, this is the finest job by any publisher. I was able to comprehend almost everything out of this published ebook. You won't truly feel monotony at any moment of the time (that's what catalogues are for concerning should you question me).

Doubleday, 2002. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: In *American Scoundrel*, Thomas Keneally, Booker Prize-winning author of *Schindler's List*, creates a biography that is as lively and engrossing as its subject. Dan Sickles was a member of Congress, led a controversial charge at Gettysburg, and had an affair with the deposed Queen of Spain -- among many other women. But the most startling of his many exploits was his murder of Philip Barton Key (son of Francis Scott Key), the lover of his long-suffering and neglected wife, Teresa. The affair, the crime, and the trial contained all the ingredients of melodrama needed to ensure that it was the scandal of the age. At the trial's end, Sickles was acquitted and hardly chastened. His life, in which outrage and accomplishment had equal force, is a compelling American tale, told with the skill of a master of narrative.
