

Chinese Astrology

By Collins

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Chinese Astrology, Collins, A fascinating introduction to the signs of the Chinese zodiac, now completely redesigned in full colour. Along with Eastern philosophies, Chinese astrology has recently become popular in the West. Despite being complex in its analysis, it is easy for the novice to access, as all you need is your date of birth. Collins Gem Chinese Astrology describes the 12 animal symbols and interprets their meanings in a clear and entertaining fashion. Each animal sign features the following information: The lunar years ruled by that animal The positive and negative aspects of the animal sign The characteristics of the male, female and child animal The animal at home and work, its preferences and compatibility with the other Chinese signs The animal in love, its health, leisure interests and the links between its sign and those of Western astrology.
