Brand New Book ***** Print on Demand *****.The government shuts down, you are trapped in America s Healthcare Scam and Obamacare won t fix anything! Politicians argue over who should pay for a broken Healthcare system while Americans get sicker every day. We do not have a Healthcare System in America we have a for profit symptom care system controlled by the pharmaceutical companies. The Healthcare System in America is little more than a government back legalized network of drug dealers and pushers, pimping prescription drugs for the pharmaceutical companies. Do you think it s a problem that in 2014 around 50 of the FDA s operating budget will come directly from the pharmaceutical companies, the very industry they are regulating? Should we continue to allow these drug pushers to prescribe 6 million prescriptions per year for a drug more potent than cocaine to 5 million American children for a disease that there is no scientific proof even exist?.
