

How to Select the Right Nutritional Supplements for Optimal Health: A Nutritional Supplements Handbook for Today's Critical Choices (Paperback)

By Mary Esther Miranda Gilbert

Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.This book will help you select more absorbable, potent and safe nutrient formulations that can protect you from the degenerative effects of nutrient deficiencies in the food you eat. It will help you protect your health from the disease process if you have been consuming nutrient deficient foods, even if you feel you eat a generally healthy diet. Also, knowing the origins of your supplement ingredients is critical to determine just how effective your supplements really are. Many thousands of people are taking supplements of poor quality. Chances are, those supplements may be doing more harm than good, creating inflammatory conditions due to the biological incompatibility of synthetic vitamins and the non-absorbable types of minerals used by manufacturers who want to cut production costs. Nutrient deficiencies are one of the major causes of many degenerative diseases millions of people suffer from today, and that includes deficiencies due to poorly formulated supplements. You get what you pay for in the way of price and nonabsorbability. Mixing synthetic vitamins and finely ground, poorly absorbable mineral elements and forming them into...
